ABOUT HOUSE ENTERPRISE

House Enterprise is an entertainment media group headquartered in Providence, Rhode Island. Founded by two graduates of Bryant University, our goal is to provide a memorable experience for all we encounter - podcast listeners, craft beer drinkers, fans at a live sports event, or subjects in a photograph. We provide a house for content creators to reach vast audiences through different niches, from the perspective of real and authentic fans. House Enterprise is the home to multiple content creators and various different brands. Explore the site to learn more.
